INDIVIDUAL THERAPY POLICIES — 2026

2. TIME-INTEGRITY POLICY

Your session is a consciously held emotional container.

To honour the work we do:

- Sessions begin and end at the scheduled time.
- If we naturally flow into the next duration bracket, the session will be billed at that tier.
- Sessions extending beyond 90 minutes are considered a full additional session, to maintian energetic and time integrity.
- We take the first minutes to gently ground and reconnect, so your system feels ready and supported for deeper work.
- This soft settling-in supports attunement and depth without rush.

3. PAYMENT POLICY

To keep the therapeutic exchange clean and energetically aligned:

- **All payments must be completed in advance.**

Your slot is confirmed only after payment.

- No post-session payments systems are available.
- Package sessions must be used within 30 -45 days.

Unused sessions do not carry forward — this protects your momentum.

- Same-day/emergency appointments (if available) may carry a priority fee.
